Myrtle Beach, SC – Nov. 14, 2018 – No RV? No problem. Carolina Pines is your home away from home, offering vacation rentals with all the amenities you need for a comfortable, enjoyable stay.

Our Carolina Cottages are a different way to camp that ranges from cozy one-room cabins to fully appointed vacation homes. The units come furnished with beds and linens, plus extra features like flat-screen televisions, cable and Wi-Fi, private bathrooms, air conditioning, outdoor decks with gas grills and much more. They truly create a home away from home vacation experience.

“We wanted to provide visitors to the Myrtle Beach area with a unique, alternative to a hotel room,” said Mindy Kirtley, RVP of Sun RV Resorts. “Our Carolina Cottage offers a more private camping experience and include many of the comforts of home.”

Carolina Pines’ vacation rentals will consist of 21 one-bedroom units, 25 two-bedroom units, and seven hotel-style units with small kitchens. All 53 of these units are set to be available for rent upon the grand opening in the summer of 2019. Reservations will open early 2019.
