**Cava Robles New RV Resort Offers Preview Weekends**

*RVers can book two nights and get third one free during Spring Special*

**PASO ROBLES, CA** – RVers eager to experience the brand-new Cava Robles RV Resort are invited to take advantage of a Spring Special Weekend Preview at the Signature Sun RV Resort in Paso Robles, California.

“There is tremendous interest in our new resort and we want to satisfy some of the demand by offering a sneak preview this spring,” said Lisa Harold, Regional Vice President. “RVers can book two nights for any weekend in May and get a third night free if they reserve by March 31.”

On Preview Weekends, a limited number of RV sites will be available along with some of the luxury resort’s amenities including a pool and hot tub, the Grand Oaks Clubhouse with a bistro & wine bar, outdoor barbecues and a fire pit. The Cava Robles Welcome Center will greet guests with concierge services and bicycle and golf cart rentals. While finishing touches will still be under way in May, there will be no construction activity during Preview Weekends, Harold said.

“We know RVers want to enjoy the many attractions that make Paso Robles and California’s Central Coast so alluring, and May’s spring weather is especially tempting,” Harold said. “May offers great hiking and kayaking weather, plus the area’s wineries are always bustling and hospitable this time of the year.”

Cava Robles RV Resort, tucked discreetly in Paso Robles’ gently rolling hills, offers a beautiful, serene setting that offers convenient access to more than 200 wineries, dozens of superb restaurants, and some of California’s most iconic scenery, including the spectacular Highway One that leads to the legendary Hearst Castle.

May is also the month for [Wine Fest](#), a Paso Robles tradition now in its 36<sup>th</sup> year. Scheduled for May 17-20, Wine Fest features more than 100 wineries rolling out the red carpet for visitors, as well as offering a focused wine-tasting event for two days on Paso Robles’ charming central downtown square.

Cava Robles’ eventual 330 RV site property will also include vacation cottage rentals for non RVers, along with plush amenities including two swimming pools, the Fox Run Wellness Center with the SunFit Fitness Center and Oak Spa Massage, the Farmhouse Bistro style restaurant and bar, plus a focus on open space and gorgeous views of the surrounding natural environment. Guests can also enjoy golf cart and bicycle rentals, a billiards and game room and fire pit at the Grand Oaks Clubhouse.
